"[E]ach agency is ultimately responsible for the accuracy and completeness of its Annual FOIA Report It is therefore essential for agencies to take steps that will ensure that they are adequately tracking all of the information necessary to complete the Annual FOIA Report sections detailed below Agencies that utilize a tracking or case management system for this purpose are responsible for ensuring that the system they are using can produce an accurate Annual FOIA Report that is in compliance with the law and Department of Justice guidance " DOJ Handbook, at 3

13 The DOJ Handbook also states:

12 Among other things, the DOJ Handbook states, "All requests (perfected and non-perfected), appeals, and consultations that were pending at any time during the relevant fiscal year [October 1st through September 30th] will be captured "

11 Department of Justice (DOJ) has issued a handbook addressing FOIA Annual Reports See DOJ Handbook for Agency Annual Freedom of Information Act Reports, "Disposition of FOIA Requests," (available at

10 Pursuant to FOIA, a Court may assess attorney fees and litigation costs against the United States if the Plaintiff prevails in an action thereunder 5 U S C § 552(a)(4)(E)

9 Under FOIA, the federal agency has the burden of sustaining its actions 5 U S C § 552(a)(4)(B)

8 Regarding the names of the FOIA requesters, the courts have held that under the FOIA requesters do not have an expectation of privacy *Stauss v IRS*, 516 F Supp 1218, 1223 (D D C 1981),

7 FOIA provides that any person who has not been provided the records requested pursuant to FOIA, after exhausting their administrative remedies, may seek legal redress from the Federal District Court to enjoin the agency from withholding agency records and to order the production of any agency records improperly withheld from the complainant

6 FOIA expressly provides that a person shall be deemed to have constructively exhausted their administrative remedies if the agency fails to comply with the applicable time limitations provided by 5 U S C § 552(a)(6)(A)(I) - (ii) See also 5 U S C § 552(a)(6)(C)

5 FOIA also requires federal agencies to make a final determination on FOIA administrative appeals that it receives within twenty days (excepting Saturdays, Sundays, and legal public holidays) after the receipt of such appeal, unless the agency expressly provides notice to the requester of "unusual circumstances" meriting additional time for responding to a FOIA request 5 U S C § 552(a)(6)(A)(ii)

4 FOIA requires that each agency shall "establish a telephone line or Internet service that provides information about the status of a request to the person making the request using the assigned tracking number, including the date on which the agency originally received the request; and an estimated date on which the agency will complete action on the request 5 U S C § 552(a)(7)(B)

3 FOIA requires that "each agency shall establish a system to assign an individualized tracking number for each request received that will take longer than ten days to process and provide to each person making a request the tracking number assigned to the request" 5 U S C § 552(a)(7)(A)

2 FOIA requires that "each agency, upon any request for records which (i) reasonably describes such records and (ii) is made in accordance with published rules stating the time, place, fees (if any), and procedures to be followed, shall make the records promptly available to any person" 5 U S C § 552(a)(3)(A)

"[A]ll books, papers, maps, photographs, machine readable materials, or other documentary materials, regardless of physical form or characteristics, made or received by an agency of the United States Government under Federal law or in connection with the transaction of public business and preserved or appropriate for preservation by that agency or its legitimate successor as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the Government or because of the informational value of data in them " 44 U S C § 3301 (emphasis supplied)

1 The definition of "records" includes:

LEGAL FRAMEWORK OF FOIA

Whoever procures another to commit any perjury is guilty of subornation of perjury, and shall be fined under this title or imprisoned not more than five years, or both

Title 18 U S C < Caution-https://en.wikipedia.org/wiki/Title_18_of_the_United_States_Code > § 1622 < Caution-<https://www.law.cornell.edu/uscode/text/18/1622> >

provides:
The term subornation of perjury further describes the circumstance wherein an attorney at law < Caution-<https://en.wikipedia.org/wiki/Lawyer> > causes a client to lie under oath or allows another party to lie under oath
Subordination of perjury

"Whenever the court orders the production of any agency records improperly withheld from the complainant and assesses against the United States reasonable attorney fees and other litigation costs, and the court additionally issues a written finding that the circumstances surrounding the withholding raise questions whether agency personnel acted arbitrarily or capriciously with respect to the withholding, the Special Counsel shall promptly initiate a proceeding to determine whether disciplinary action is warranted against the officer or employee who was primarily responsible for the withholding The Special Counsel, after investigation and consideration of the evidence submitted, shall submit his findings and recommendations to the administrative authority of the agency concerned and shall send copies of the findings and recommendations to the officer or employee or his representative The administrative authority shall take the corrective action that the Special Counsel recommends " 5 U S C § 552(a)(4)(F)(i)

PRESERVATION OF RECORDS AND SEARCHES PERFORMED Please preserve all responsive or potentially responsive records and records of your searches in your FOIA case file until the statutory date for judicial review has passed (should that be necessary) or in accordance with NARA approved record schedule, if longer. Records of responsive searches would include but not be limited to: Searches conducted for each specific record sought and all other records known to the Agency, including dates, manner of searching, responsible agent or employee conducting each search and the results thereof. Any deletion of potentially responsive records by any party having knowledge of this Request may be a violation of law. In any subsequent proceedings, I may seek sworn declarations.

PUBLIC INTEREST The accuracy and integrity of DOJ JAGs FOIA process and FOIA reporting are in the public interest. The subject of the requested records concerns "the operations or activities of the government." The disclosure is "likely to contribute" to an understanding of government operations or activities. There is no commercial interest. There is significant public interest.

Agreement to Pay Fees I agree to pay fees for searching or copying the records up to \$150. If the fees exceed this amount, please advise me of the cost before proceeding. I do not believe that there should be any charge for providing these records, as there is public interest in government operations. I am a private individual not seeking documents for commercial use, such that the following applies: "No fees may be charged by any DoD Component if the costs of routine collection and processing of the fee are likely to equal or exceed the amount of the fee. With the exception of requests seeking documents for commercial use, Components shall provide the first two hours of search time, and the first one hundred pages of duplication without charge." I would note that because I am requesting a PDF file, there should not be a per page copy fee.

Requested Format I am requesting that documents provided as a single PDF file by return email with: (1) a signed and dated cover letter (citing my personally assigned requester control number); (2) with record page count for all records released; (3) a copy of this request in your reply. Please do not combine this request with any other request in your reply. I am requesting that each element of the records sought be specifically addressed in the reply.

3 I am also requesting that a copy of this FOIA Request (which is an agency record) be included as a responsive record integral to my Request.

c Any communications by email, fax, phone or in any other format between any of the following parties: OPNAV DNS-36, DONFOA-PA, BUMED, DON CIO, DON JAG, WRNMMC, DHA, related to my subject FOIA Request from the time of its submission to present.

b All records of any searches performed by BUMED or DON, including any performed by DONFOA-PA, OPNAV DNS-36.

a All records in BUMED's FOIA case file (which should contain all records related to my Request).

2 Such records would include but not be limited to:

1 All records of any kind in the possession of DON, OPNAV DNS-36, DONFOA-PA, BUMED, DON CIO, Walter Reed National Military Medical Center (WRNMMC), and Defense Health Agency (DHA) related to my subject FOIA Request at Attachment A.

I am respectfully seeking:
